

# Jobs & Economic Growth For The Carolinas: How the Transatlantic Trade & Investment Partnership (TTIP) Will Help

**Be a part of the discussion and get answers to these questions and more.**

*TTIP is an ambitious, comprehensive, and high-standard trade and investment agreement being negotiated between the United States and the European Union (EU). TTIP will help unlock opportunity for American families, workers, businesses, farmers and ranchers through increased access to European markets for Made-in-America goods and services. This will help to promote U.S. international competitiveness, jobs and growth.*
